"When I started here a couple of years ago we were using [a competitor] for a large portion of our shipping. They were not reliable and when there was an issue I would have to talk to up to four people to get an answer. When we switched to LTLHub it was night and day. Your account reps are on top of things. I am looking forward to the busy season and feel a lot less stressed knowing that LTLHub will be a part of it." – LTLHub Customer Email
